PATENT PENDING
ALUMICAST™

**ENJOY THE LOOK AND PERFORMANCE
OF AN ALUMINUM FENCE WITHOUT PAYING A PREMIUM PRICE**

Our composite fencing pairs contemporary style with confident performance. Built with our proprietary Compositore® wood-free composite that resists rot, warping, splintering and mold, our newest profile performs beautifully through the seasons with practically zero maintenance.

Benefits:

- ✓ AlumiCast™ technology delivers the strength and look of aluminum
- ✓ Compositore® construction outperforms wood with superior durability
- ✓ Designed for style, priced for value

See page 54 for more details

ALUMICAST™
ALUMINUM
LOOK + STRENGTH

BUILT BETTER FROM THE BEGINNING

Every Catalyst fence starts with the highest quality raw materials and proprietary formulations.

Thoughtfully engineered with exclusive innovations to deliver unparalleled strength, enduring beauty and flawless performance. Rigorously tested to exceed industry standards. Made to withstand the effects of weather and daily wear and tear. And backed by a transferable limited lifetime warranty.

Highest Quality Materials | Exclusive Innovations | Worry-Free Warranty

Our in-house powder coating process ensures superior quality from start to flawless finish. Every aluminum component is coated before assembly to eliminate bare spots, using an automated process with patented equipment, proprietary formulations, precise specifications and rigorous quality checks for exceptional results.

OUR EXCLUSIVE INNOVATIONS

Catalyst fences are built with numerous exclusive and patented technologies that enable our fences to significantly outperform competitors, for beauty and performance that stands up to the elements.

TIMBERGRAIN™
WOODGRAIN TEXTURE

The look of wood you love in long-lasting, low-maintenance vinyl. No splinters, rot, cracks, staining or peeling. Period.

ALUMICAST™
ALUMINUM
LOOK + STRENGTH

Groundbreaking innovation that delivers the comparable strength and look of aluminum with the value of composite.

SIMTEK®
MOLDED PANEL TECHNOLOGY

The genuine look of stone or wood in commercial quality steel-reinforced polyethylene that reduces noise, buffers high winds, and offers easy graffiti clean-up.

COMPOSCORE®
SUPERIOR DURABILITY

Wood-free composite delivers long-term strength with superior resistance to moisture, rot, warping, splintering, mold and stains.

STAYSTRAIGHT®
STRUCTURAL INTEGRITY

Patented material composition safeguards vinyl fences and gates against bending and sagging in all weather conditions.

SOLARGUARD®
FADE RESISTANCE

Superior protection against color degradation keeps colors bold and rich over time, even in harsh climates.

GLIDELOCK®
LOCKING INFILL BOARDS

Exclusive to Premium Plus dealers, patented system quickly locks vinyl infill boards in place for durable gap-free connections, proven to perform in extreme conditions.

NOVIS™
HIDDEN FASTENER SYSTEM

Quickly and cleanly locks fence panels together on level and sloping terrains without power tools or visible hardware.

OUTPERFORMS WOOD IN EVERY WAY

Catalyst fence offers exceptional durability to look better and last longer than wood. All of our fencing solutions are designed with Class A Flame Spread rated materials, subjected to extreme quality testing and backed by a worry-free warranty.

FIND A FENCE TO FIT YOUR LIFE

With the industry's best and broadest offering, Catalyst has the right fencing solution for any situation. Our guided selection process helps make it simple to find a fence to fit your life.

FENCES FOR ANY STYLE

The right fence can create a cohesive look that extends your style and enhances the appearance of your home.

Find more recommendations at CatalystFence.com

FENCE FINDER

Use our step-by-step Fence Finder to find your perfect fence.

TRADITIONAL

Traditional spaces call for order and charm—picturesque paths, wood accents and classic forms. Fences like Newbury enhance these settings with clean lines and timeless color tones that complement the architecture, adding structure without overpowering.

See page 18

MODERN

Modern design thrives on simplicity with bold intent. By pairing dark metals with warm woods or crisp whites with fences like Riverside and Manchester, strong geometry and refined edges enhance minimalist landscapes to turn boundaries into design elements.

See pages 60 and 72

COASTAL

Coastal style is all about openness, flow and communion with the natural world. With airy slats and soft, sun-washed finishes, fences like Largo and Seaside invite the breeze while blending into the relaxed outdoor palettes of stone, sand and sea grass.

See pages 31 and 37

VINYL & MOLDED FENCES

The perfect choice for those who want personalized style, incredible durability and minimal maintenance.

Catalyst vinyl and molded fences come in the styles and colors you need to perfectly complement your home's exterior. Always built to last with the highest quality materials and exclusive innovations no other brand can match.
