COMPLETE SOLUTIONS

# MORE OPTIONS, MORE STYLES

Catalyst has the most choices from a single brand. With all your favorite styles, a choice of maintenance-free materials and options at every level, there's a fencing solution for every situation.

## Catalyst Commercial Fences

Need a fence that's stronger, taller or just more customized? Our commercial fencing solutions include premium materials and styles with the extra size, strength and added features you need for large scale yards, controlled-access environments or other special requirements. See page 106 for more information.

# BUILT BETTER FROM THE BEGINNING

**Every Catalyst fence starts with the highest quality raw materials and proprietary formulations.**

Thoughtfully engineered with exclusive innovations to deliver unparalleled strength, enduring beauty and flawless performance. Rigorously tested to exceed industry standards. Made to withstand the effects of weather and daily wear and tear. And backed by a transferable limited lifetime warranty.

# OUR EXCLUSIVE INNOVATIONS

Catalyst fences are built with numerous exclusive and patented technologies that enable our fences to significantly outperform competitors, for beauty and performance that stands up to the elements.

## **SOLARGUARD<sup>®</sup>** FADE RESISTANCE

Superior, high-level protection keeps colors from fading and fencing looking its best year after year, even in the harshest climates.

## **NOVIS<sup>™</sup>** HIDDEN FASTENER SYSTEM

Locks fence panels together quickly and cleanly on level and sloping terrains to provide a clean design without power tools or glaring hardware.

## **TIMBERGRAIN<sup>™</sup>** WOODGRAIN TEXTURE

The look of wood you love in long-lasting, low-maintenance vinyl. No splinters, rot, cracks, staining or peeling. Period.

## **STAYSTRAIGHT<sup>®</sup>** STRUCTURAL INTEGRITY

Unique material composition within our vinyl fences and gates provide structural durability in all weather conditions, helping to decrease bending or sagging over time.

## **GLIDELOCK<sup>®</sup>** LOCKING INFILL BOARDS

Exclusive to Premium Plus dealers, this patented system quickly locks vinyl infill boards in place for gap-free, worry-free privacy that's proven to stay connected in extreme weather.

## **SIMTEK<sup>®</sup>** MOLDED PANEL TECHNOLOGY

The look and feel of real stone and wood in steel-reinforced polyethylene. Commercial quality barrier reduces noise and buffers high winds. Its easy-clean surface releases graffiti with a high-pressure washer.

**Our in-house powder coating process ensures superior quality from start to flawless finish.** Every aluminum component is coated before assembly to eliminate bare spots, using an automated process with patented equipment, proprietary formulations, precise specifications and rigorous quality checks for exceptional results.

# OUTPERFORMS WOOD IN EVERY WAY

## WOOD FENCE

### FADES & CRACKS

Weather affects appearance and performance

### MOISTURE DAMAGE

Rain, ice and humidity accelerate aging

### ONGOING MAINTENANCE

Regularly needs sanding, paint, stain or sealant

### SUSCEPTIBLE TO DECAY

Rot, warping, splintering and termites

### PERCEIVED VALUE

Lower upfront cost but requires upkeep + replacement

### LIMITED OPTIONS, INCONSISTENT QUALITY

Fewer finishes + potential subpar wood grades

### NO WARRANTY

Equals no long-term guarantee

**Catalyst fence offers exceptional durability to look better and last longer than wood.** All of our fencing solutions are designed with Class A Flame Spread rating materials, subjected to extreme quality testing and backed by a worry-free warranty.

## VINYL & ALUMINUM FENCE

### BEAUTY THAT LASTS

Weather-resistant + advanced technologies + finishes

### FIRE & MOISTURE RESISTANCE

Non-combustible + zero water retention

### ULTRA LOW MAINTENANCE

No sanding, painting or staining. Cleans easily with water

### EXTREME DURABILITY

Resists rot, warping, splintering and termite damage

### LIFETIME VALUE

Upfront investment but greater overall savings

### MOST CHOICES, EXTREME QUALITY

For every style and project + exclusive ingenuities

### WORRY-FREE WARRANTY

Transferable, limited lifetime protection\*

# FIND A FENCE TO FIT YOUR LIFE

With the industry's best and broadest offering, Catalyst has the right fencing solution for any situation. Our guided selection process helps make it simple to find a fence to fit your life. w

# FENCES FOR ANY STYLE

The right fence can create a cohesive look that extends your style and enhances the appearance of your home.

## FENCE FINDER

Use our step-by-step Fence Finder to find your perfect fence.

## MODERN

Modern design thrives on simplicity with bold intent. By pairing dark metals with warm woods or crisp whites with fences like Riverside and Manchester, strong geometry and refined edges enhance minimalist landscapes — turning boundaries into design elements.

See page 60 or 72

## TRADITIONAL

Traditional spaces call for order and charm — picturesque paths, wood accents, and classic forms. Fences like Newbury enhance these settings with clean lines and timeless color tones that complement the architecture, adding structure without overpowering.

See page 18

## COASTAL

Coastal style is all about openness, flow and communion with the natural world. With airy slats and soft, sun-washed finishes, fences like Largo and Seaside invite the breeze while blending into the relaxed outdoor palettes of stone, sand and sea grass.

See page 32 or 40

# WHERE STRENGTH MEETS SOPHISTICATION

Whether you're securing a bustling retail center, a high-traffic industrial site, or a puppy play area, our commercial fencing solutions are designed to meet the demands of every project. With a wide range of styles, materials, and customizable options, we offer durable, reliable fences that provide the perfect balance of security, functionality, and aesthetic appeal. Built better from the beginning with our cutting edge ingenuities — no matter the scale or scope, our products are designed to perform, backed by expert support to ensure your project runs smoothly from start to finish. These are recommended styles but all of our fence profiles are commercial application friendly.
