

# COMMERCIAL FENCE SOLUTIONS

2026 PRODUCT CATALOG

# ONE BRAND UNLIMITED POSSIBILITIES

Catalyst™ Fence Solutions has combined the leading fencing solutions in the U.S. to deliver a single source for commercial-grade fences. Whether you're specifying aluminum, vinyl or composite fences for your next project, no other brand can match the scale, quality and performance of Catalyst.

## INNOVATION

- Since 2016, the Catalyst product design team and engineers have introduced 4,100 new products and 51 new patents
- At each plant, our in-house engineering and design teams create plant and product specific machines and robots to increase our productivity and capacity

## SIZE & SCOPE

- Catalyst is 2.5X larger than the next largest vinyl extruder and 3X larger than the next largest player in aluminum fence
- Over 2 million square feet of strategically located manufacturing facilities able to service coast to coast

## SUSTAINABILITY

- Solar Initiatives—600,000 feet of Solar Array at our Brooksville and Galloway Factories
- Each year, we recycle 38.4 million pounds of PVC, 20 million pounds of wood and 10.5 million pounds of paper and other materials

## QUALITY & WARRANTY

- Lifetime warranties on the core of our vast product offerings
- Extensive engineering and testing capabilities
- State-of-the art powder coating exceeds industry standards

MOLDED

# MOLDED PRIVACY

SIMTEK™ TECHNOLOGY

Transform and protect commercial areas with heavy, virtually rock-solid polyethylene panels engineered to absorb noise and resist impact. Stackable units and earth tone colors blend in with urban, suburban and rural settings.

Shown in Gray Granite

MOLDED PRIVACY

# BOULDER & BRECKENRIDGE

WITH SIMTEK® TECHNOLOGY

Define property lines with realistic stone and rustic wood patterned polyethylene panels engineered to absorb noise, withstand heavy wind and resist impact. The stackable units in naturalistic textures, measure up to 12 feet tall, and harmonize perfectly with surrounding environments.

## FEATURES & BENEFITS

- Molded from real wood and stone
- Reinforced with rigid galvanized steel
- Graffiti resistant — easily removed with high-pressure washer
- Boulder has an STC rating of 26; Breckenridge's STC is 23
- Approved by Miami-Dade County for use in high wind and hurricane conditions (NOA #22-0616.10)
- Class C flame spread rating

# VERTICAL PRIVACY

Aluminum is the material of choice for commercial-grade fences. Whether your project demands security, privacy, or a bit of both, Catalyst's aluminum fence solutions deliver the performance you need to specify with confidence.

# VERTICAL PRIVACY HIGHLANDS

With privacy and security in mind, Highlands provides two modern styles that are virtually maintenance free and defy weathering. Highlands fence panels provide a modern look that combines clean lines with rustic detailing, with multiple height options to enhance any commercial environment.

## FEATURES & BENEFITS

- 100% pure aluminum with non-rusting stainless-steel fasteners
- Pre-assembled panels with post options of 4' x 4' and 6' x 6'
- State-of-the-art powder coating process meets and exceeds AAMA 2604 specifications
- Powder coat finish is highly resistant to abrasion, scratches and impact. Surpasses 10,000-hour salt spray test
- Class A flame spread rating

# ALUMINUM FENCES

Catalyst™ aluminum fences combine the distinctive aesthetics of traditional metal fencing with modern features, exceptional quality and long-lasting rustproof finishes for the perfect balance of style, security and strength.

# PICKET TOP SECURITY

Designed for strength and security, Catalyst commercial grade aluminum picket fences have imposing style that acts as a visual deterrent to potential trespassers. Our Security fence features the ultimate no-climb picket with an outwardly curved spear top design.

## FEATURES & BENEFITS

- Security with non-rusting stainless-steel fasteners
- State-of-the art powder coating process meets and exceeds AAMA 2604 specifications
- Extra strong 1½" rails combined with 1" heavy-duty picket
- Panels available in 6' and 8' widths
- Matching swing or cantilever gates for almost any size opening
- Four picket spacing options
